

Dear Russ Donley and team.

May I greet you all in the name of Jesus Christ. Amen!

Thank you very much for you have given Russ the chance to come to Africa, Zimbabwe. To equip us with all necessary information about our heavenly father, our Lord, our God.

Ecclesiastes 11 v 1; 3. This verses also challenges me and others to see to it that I must not have time to rest.

And to you all who offered on Russ's work may God bless you all. May the Lord God add <sup>to</sup> what you have subtracted.

Because you have saved so many souls by equipping so many pastors with wisdom. More-over we learnt a lot of new staff and now we are more confident of our pastoring and ministering. Please, please send this man back with more and more information and all that he can provide the Zimbabwean Pastors.

In the name of our Lord Jesus Christ I will keep on praying for you all.

Amen.

Yours in Jesus Name

Pastor Agrippa Hama.
